FIRST in Events and Sports Travel

Events Worldwide pioneered most of what now exists in the Australian Sports Travel market. Commencing operations in 1993 Glenn and Gayle Hedley set about creating weekend style hotel and ticket packages to major sporting events in Australia. This was then extended to global activity and encompasses such iconic events as the Cricket World Cup, Rugby World Cup, World Netball Championships and other signature global events.

Today Events Worldwide still operates tours and travel packages to major sporting events but also has a portfolio of special interest events such as Heston Blumenthal in Australia and various conventions, incentive groups and the more traditional sports tours to events such as the Ashes series in the UK.

A feature annual event is the highly sought after Hong Kong Sevens Rugby tournament which Events Worldwide is an Official Travel Agent.

Packages are available to domestic events such as AFL, The Melbourne Cup, Australian Open and the NRL Grand Final. Globally packages are available for the following sports:

- Rugby Union
- Cricket
- Tennis
- Motorsport V8, F1, MotoGP
- EPL and European League
- World Netball
- Rugby League
- USA Sports

Ticket only packages are available in some instances but better value applies when you book an accommodation package.

Events Worldwide is a full service **Travel Agent** issuing our own flight tickets and accommodation vouchers.

Gourmet Golf Tours offers a range of escorted tours throughout the year to the following destinations:
