

The Orion is more of a mega-yacht than a cruise ship. Catering for a maximum of just 100 guests attended to by an experienced and friendly crew of 75 you couldn't be in better hands. Cruising on an Orion Expedition becomes rather addictive and once you have done one you can understand why. **Orion Pathways** guests (repeat cruisers) will testify to her understated and casual elegance, fine dining and attentive service, not to mention all the comforts of home and more!

As a reader of **The Daily Telegraph**, **The Sunday Telegraph** or **The Australian** you can also take advantage of our special readers offer.
